The Adventures of Freedom the Dolphin

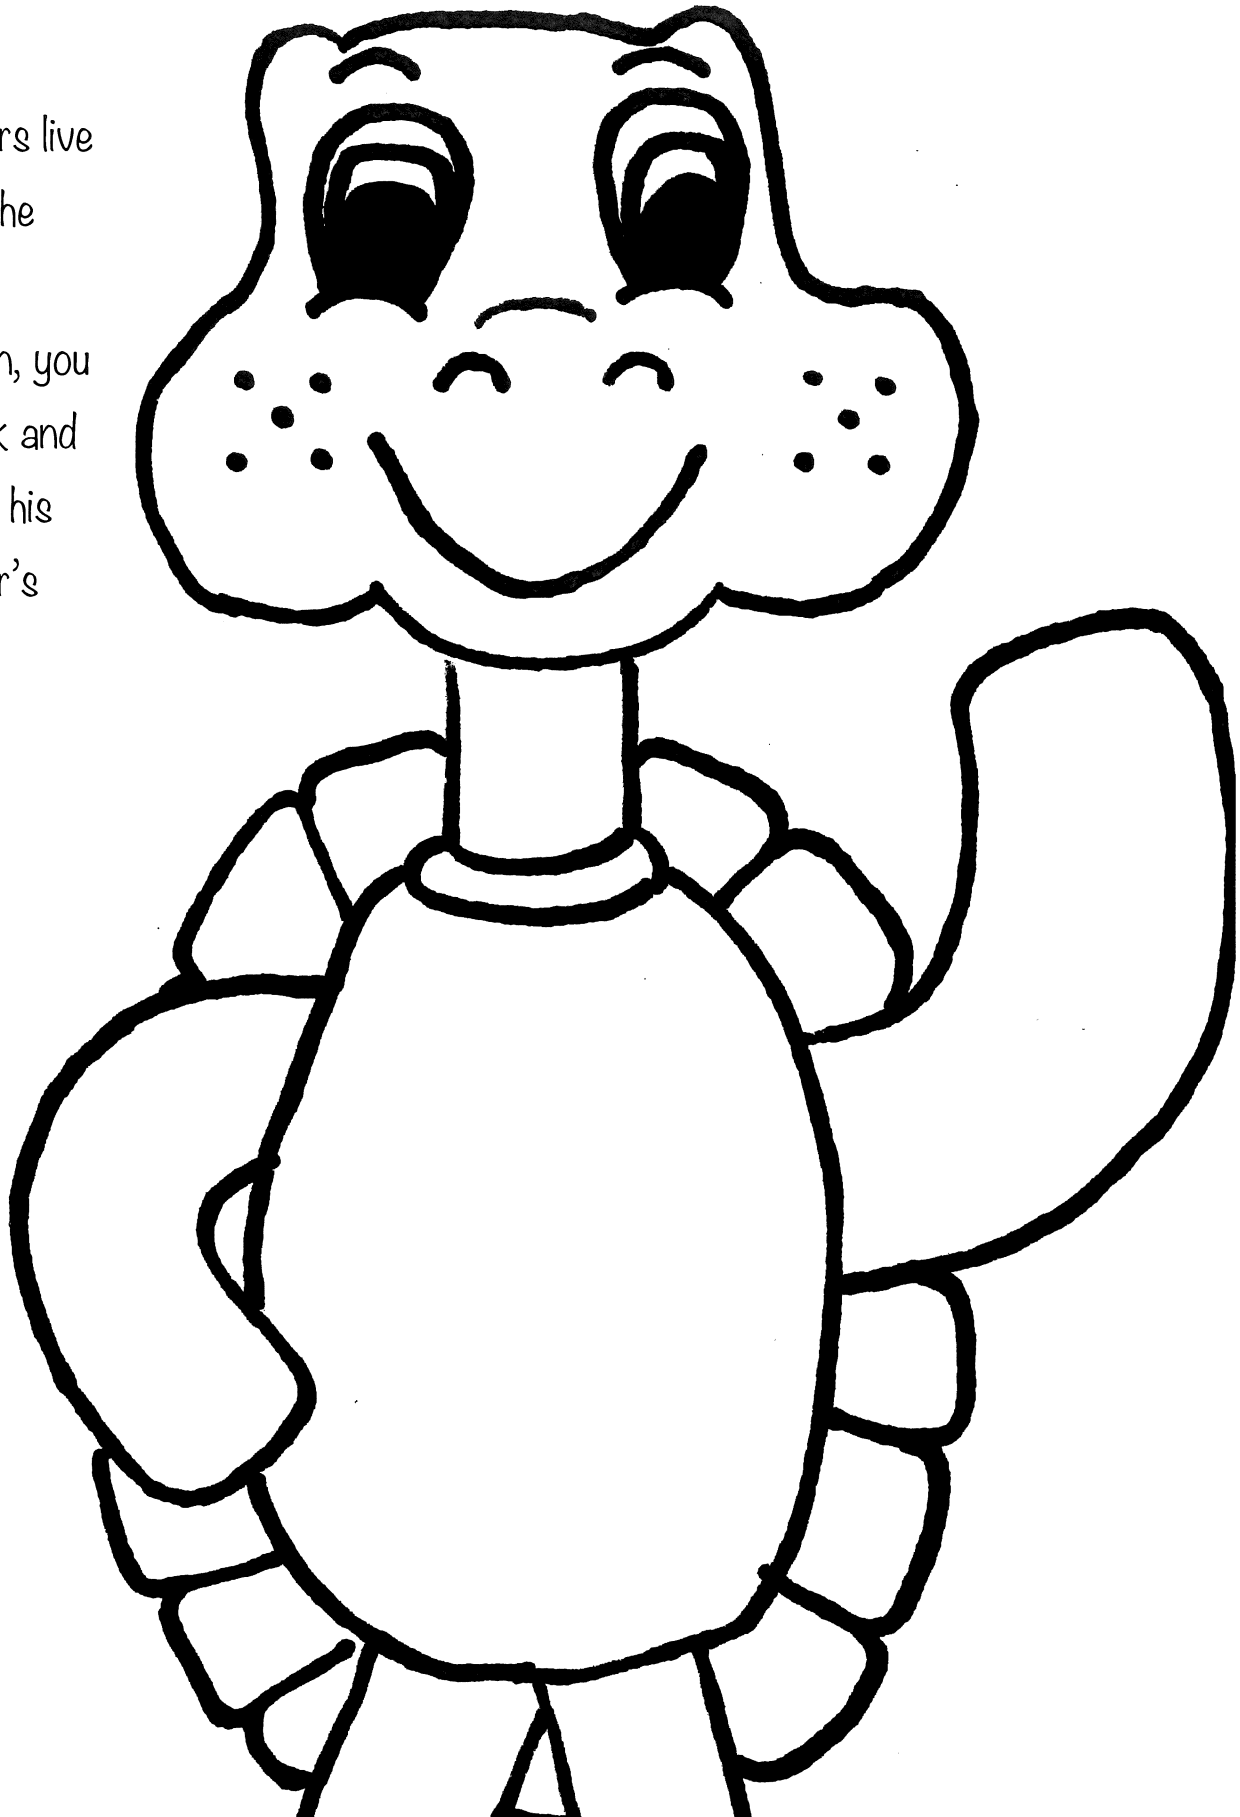

Illustrations created by MBTP Recreation team member Allison Cook

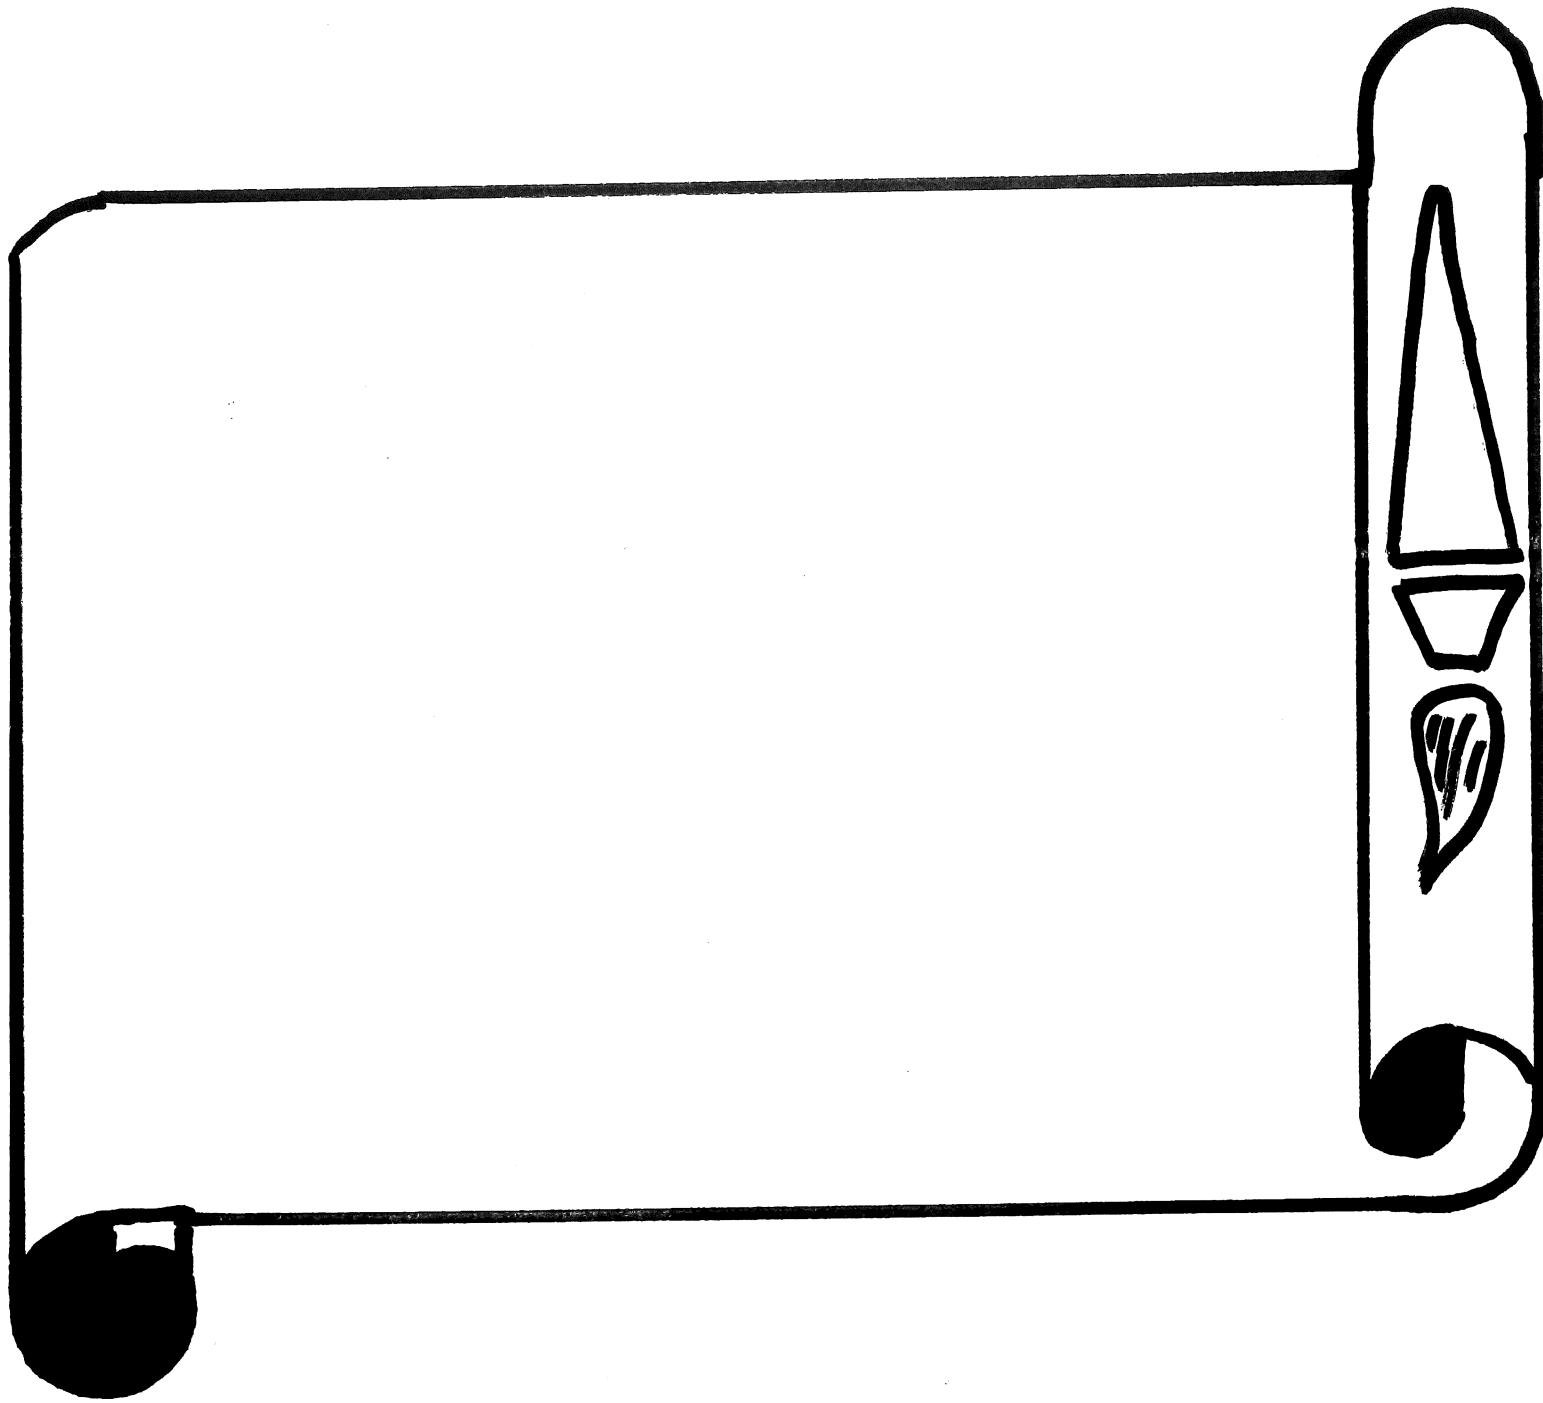

Meet Freedom, the **Myrtle Beach Travel Park** mascot. Freedom has lived at **MBTP** for 25 years. Freedom is celebrating his 26th birthday on July 4th, 2020. Freedom lives in the dolphin pond at the front entrance of the campground. Grab your favorite coloring supplies and color each picture as Freedom goes on an adventure.

This is Speedy! Speedy
is one of Freedom's best
friends at **MBTP**.

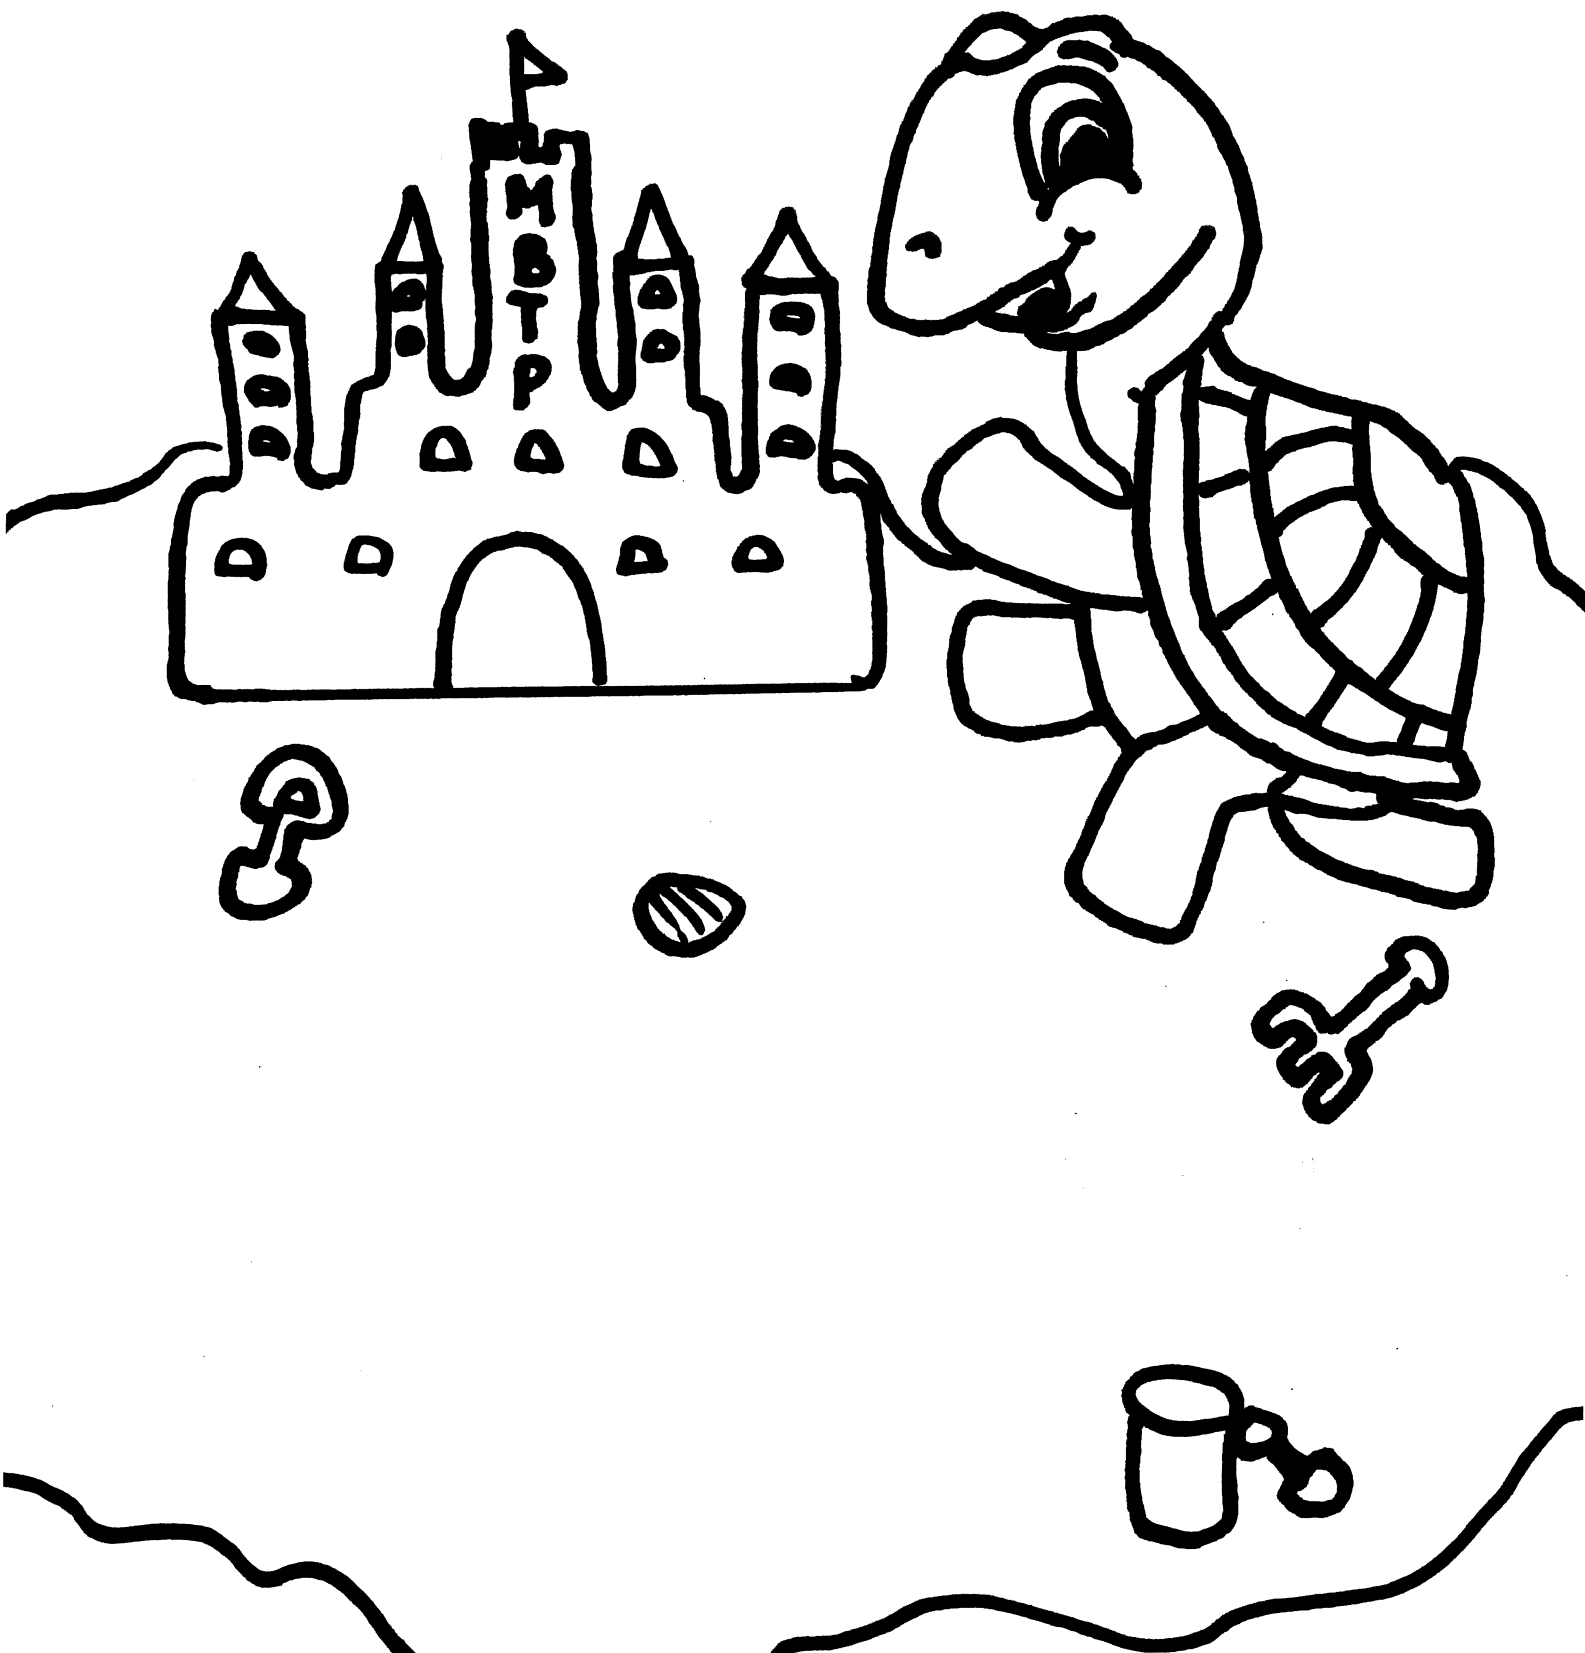

Speedy and all his
brothers and sisters live
in the big pond in the
center of the
campground. Often, you
can sit at the dock and
watch Speedy and his
brothers and sister's
swim along.

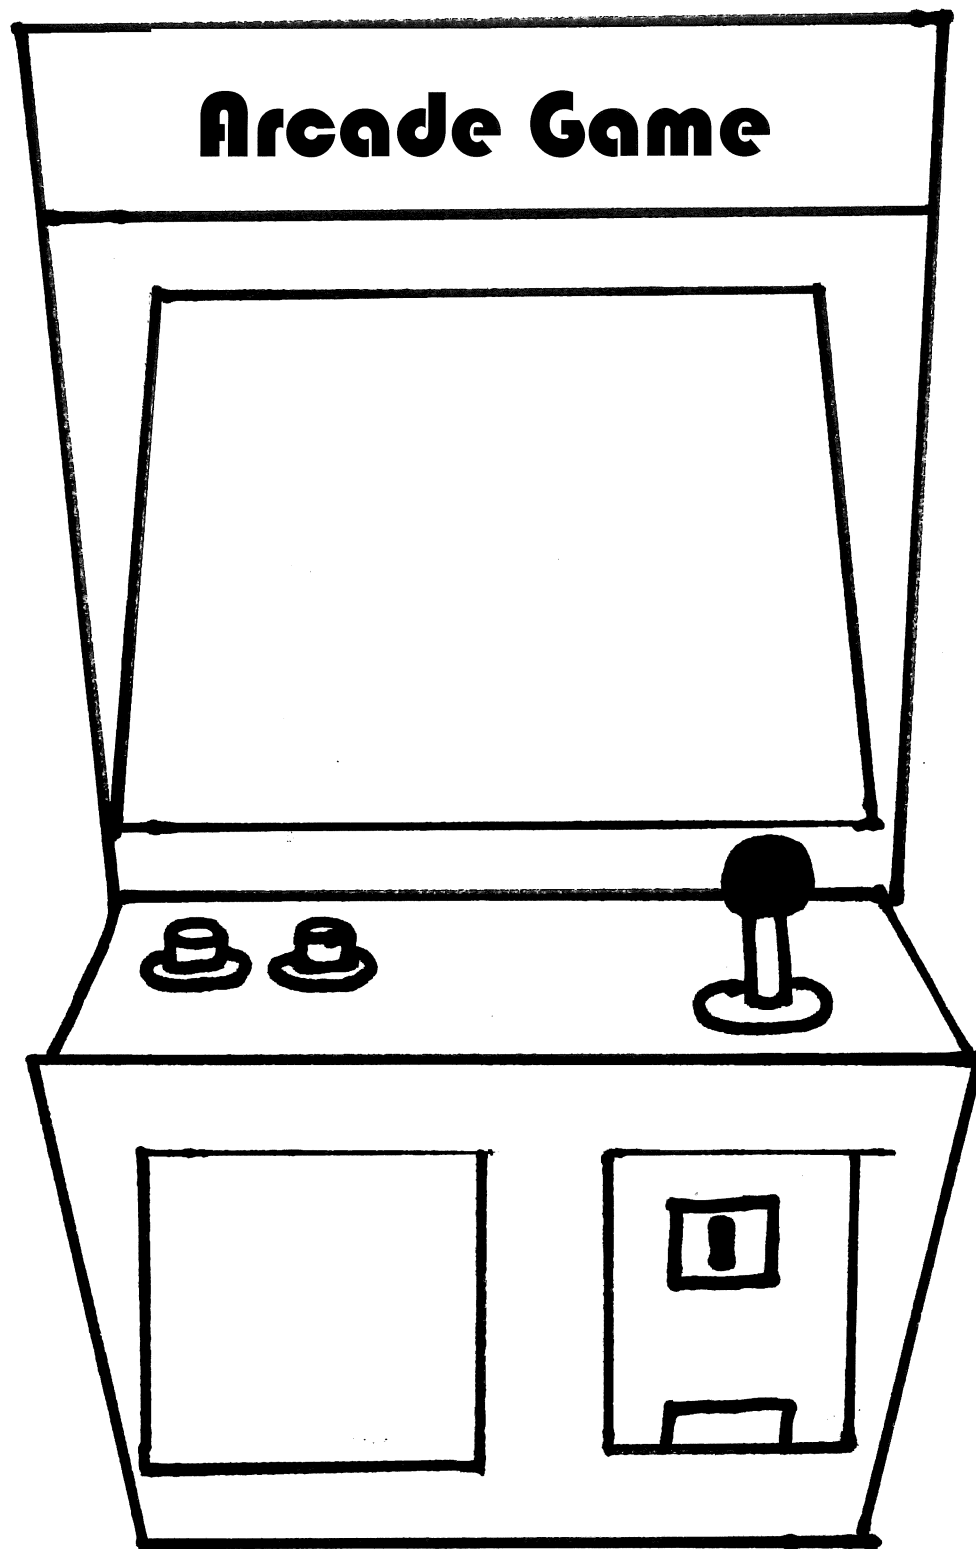

Take this page to draw a picture of your favorite activity that takes place at the campground. Freedom's favorite **MBTP** activities is our biggest splash competition!

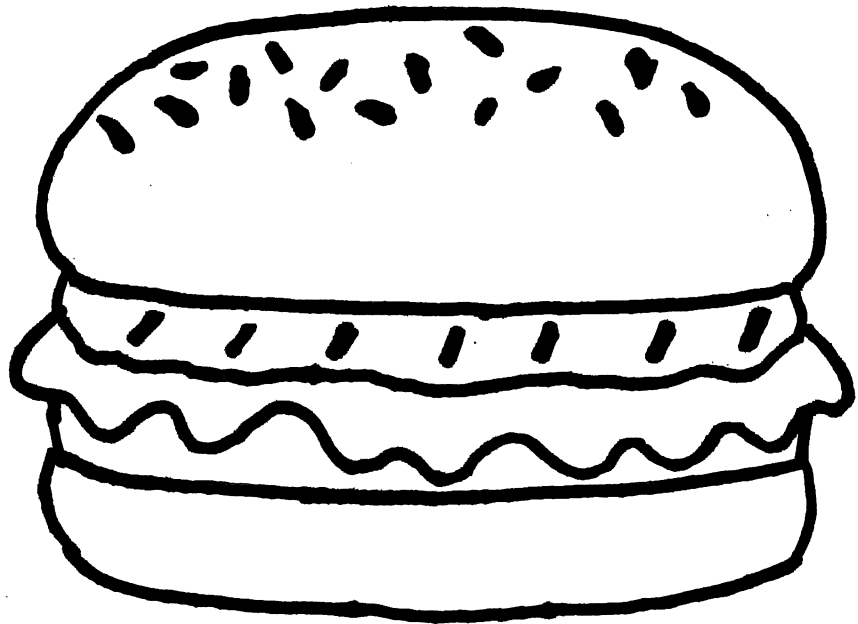

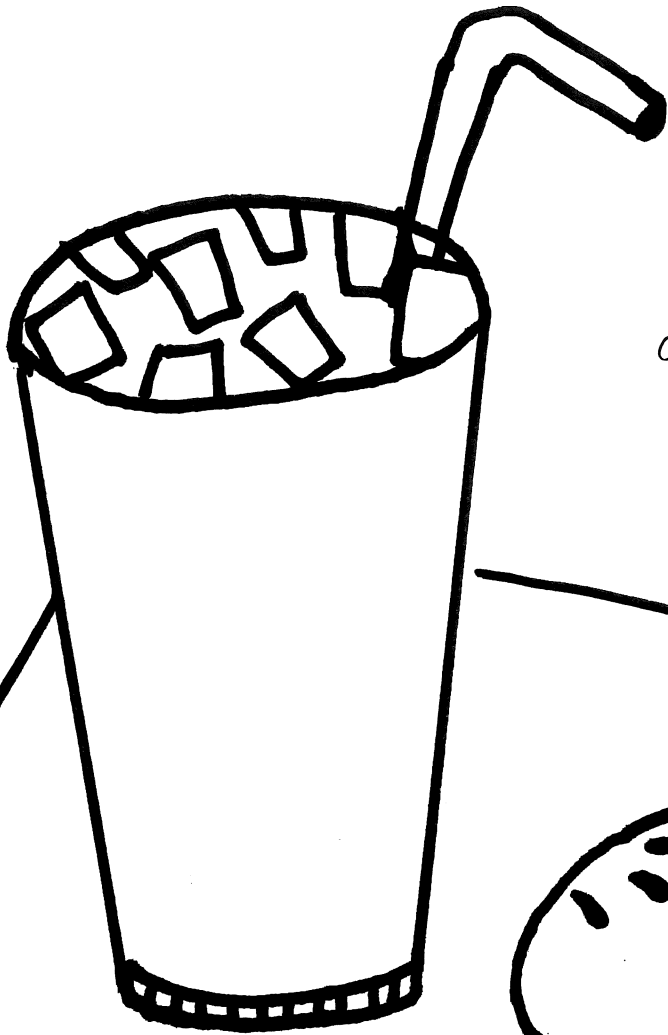

Freedom and Speedy love to hang out on the big beautiful beach. One of their favorite **MBTP** activities to do together is building sandcastles.

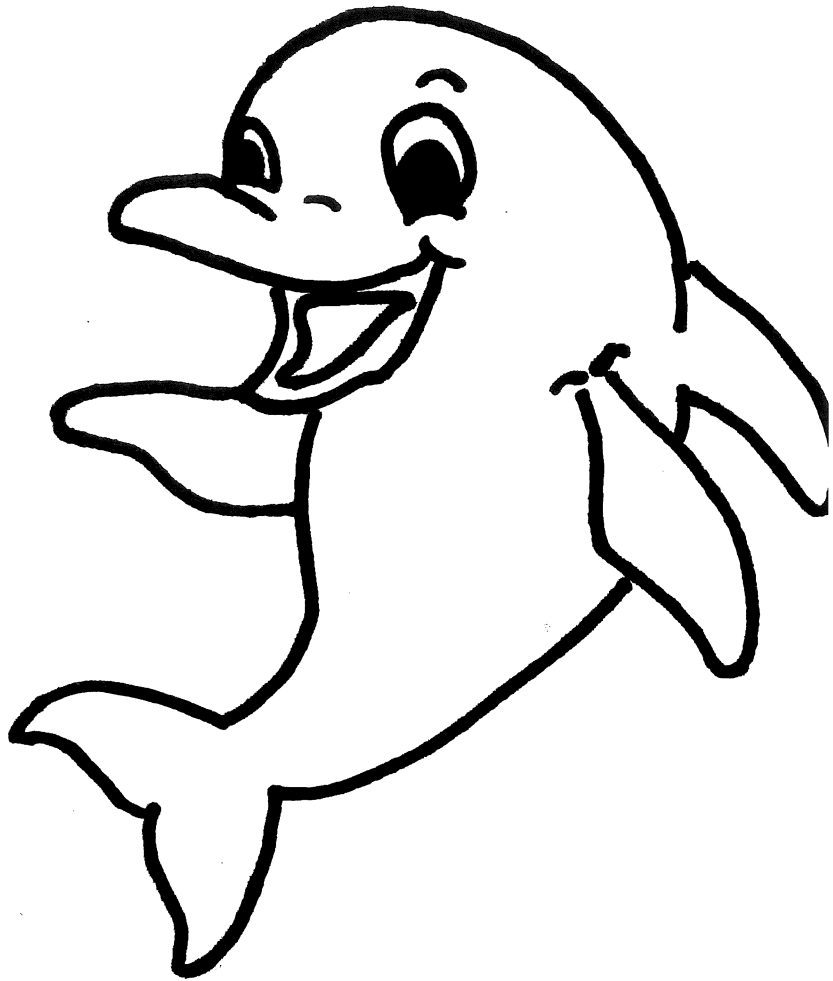

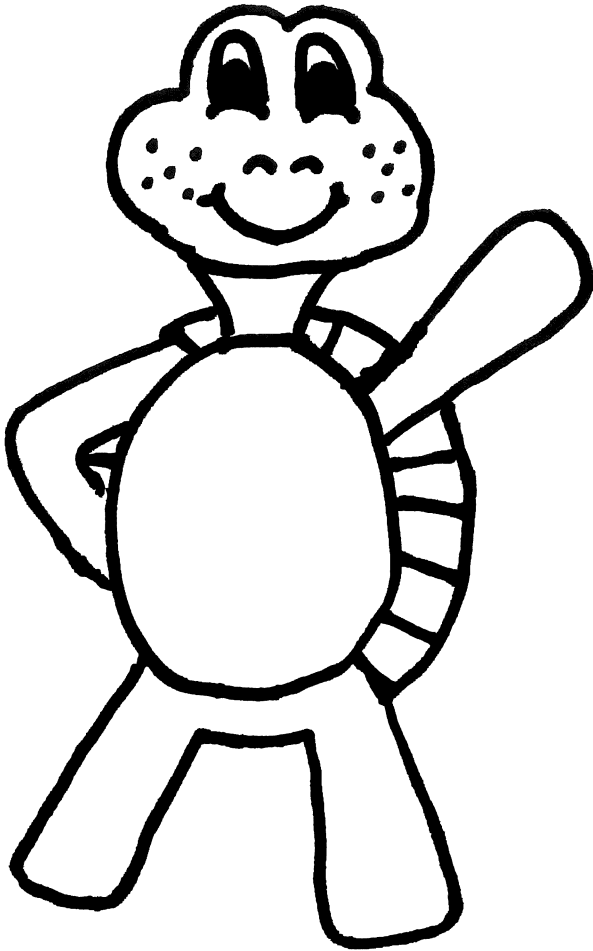

After a fun day of participating in the biggest splash contest and building sandcastles together, Freedom and Speedy head to the **MBTP** Arcade to play some games. Below, draw and color your favorite arcade game! Be creative!

Freedom and Speedy sure have had a fun day so far and they have worked up quite an appetite! To end their day of fun they order a delicious burger from the Snack Bar! Freedom and Speedy love the cheeseburgers at the **MBTP** Snack Bar. Sometimes the chef makes the cheese on top of the burgers into smiley faces.
